Lithium ion batteries contained in equipment, in compliance with
Section II of PI 967
must be included on the air waybill, when an air waybill is used.

This package contains lithium ion cells or batteries; This package
must be handled with care and flammability hazard exists if the
package is damaged; Special handling procedures should be
followed in the event the package is damaged, to include
inspection and repacking if necessary; For emergency
information, call CHEMTREC at 1-800-424-9300 from the
USA. Outside the USA, dial collect 1-703-527-3887
